INSTRUCTIONS

1. Apply Plumbers Putty around the underside of the outer Drain flange lip.
2. Place the Disposal Drain in the drain hole of the Sink. The metal flange will sit directly on the Sink.
3. Clean off any excess Plumbers Putty.
4. Place the Strainer in the Disposal Drain.
5. Follow installation instructions included with your purchased disposal to complete the installation of the Disposal Drain.

Congratulations, this completes the installation of the Sinkology Disposal Drain.
