

Stainless Steel Care IQ® Kit

Model #SARMOR-701

Sinkology Care IQ Kits provide everything you need to properly care for your sink. Each kit contains cleaning and care solutions packaged for your sink's specific surface. With easy-to-follow instructions and powerful care products, maintaining your sink will be snap.

FEATURES

- **7" x 6" x 3"**
- Kit includes: Defend solution, Restore solution, microfiber polish cloth
- Easy-spray solution with neutral scent (1.7 oz. bottle)
- Defend helps water to bead up by forming a thin shell over the surface of your sink for protection against water and surface stains
- Restore helps buff away scratches, scuffs, and surface stains
- Microfiber polish cloth is machine washable and reusable
