INSTALLATION

- Pro Installation, Farmhouse Undermount
- Flush or Reveal
- It is not recommended to install the workstation with a negative reveal. This install method will prohibit the use of any workstation accessories as they will not fit.
- Due to the manufacturing process, each fireclay sink will vary slightly dimensionally. We recommend using the actual sink to be installed, not templates, to ensure an exact fit.

Farmhouse Undermount Fireclay Sink Installation Instructions are available on the BILT® App. Download the BILT App today and search "Sinkology" to find install instructions specifically for your product and installation type or scan the QR Code for easy access.
