INSTALLATION

- DIY, Quick-Fit Drop-In
- The Parkerr comes from our Elevate Collection of sinks that feature Quick-Fit installation.
- This retrofit installation method means you can easily install the Parker with minimal modifications made to kitchen cabinets and countertops.
- Due to the manufacturing process, each fireclay sink will vary slightly dimensionally. We recommend using the actual sink to be installed, not templates, to ensure an exact fit.

Quick-Fit Drop-In Fireclay Sink
Installation Instructions are available on the BILT® App. Download the BILT App today and search "Sinkology" to find install instructions specifically for your product and installation type or scan the QR Code for easy access.
